

The safety of the children is a primary concern of the Camp Awesome Program. During program hours, we endeavour to maintain the highest possible standards to ensure children in our care are safe. Our care and responsibility extends to ensuring that children are returned to an appropriate guardian when our program ends. As a result, parents and guardians are asked to sign their children into the program at the beginning of the day and out of the program at the end of the day.

Name(s) of person/persons who will transport and sign child/children in and out are as follows:

Please note that children with special needs requiring one-on-one support must be accompanied by their own helper.
